

Canadian Tire – Canada’s Store

It’s Time to Celebrate our 100th and Give More Kids a Sporting Chance!

On September 15, 1922, brothers J.W. and A.J. Billes invested their combined savings in a small store called Hamilton Tire and Garage Ltd., located in downtown Toronto.

In 2022, a century later, Canadian Tire has grown to span the entire country, with over 500 stores and more than 60,000 employees.

As Canada’s largest retailer, over 90% of all Canadians live within a 15-minute drive of a Canadian Tire store.

In 2005, Canadian Tire Jumpstart Charities was launched, a national charity committed to ensuring kids in need have equal access to sport and play by covering costs including registration, equipment and transportation. Since its inception, Jumpstart has provided over 2.5 million opportunities for kids in Canada to get in the game. There is much to be thankful for after 100 years of serving Canadians, but there is more we can still do to help make life in Canada better.

Canadian Tire has proudly commissioned one of Canada’s leading watch designers, Time is Ticking Inc., to create a truly remarkable timepiece to commemorate our 100th year and raise money to help Jumpstart give back to young Canadians from coast to coast.

The limited-edition watch is being offered for only \$100.00 (plus applicable taxes and postage), far below its actual value of approximately \$250.00. This makes for a great gift, and a portion of each sale will be donated to Jumpstart.

Let’s take the time to mark Canadian Tire’s milestone birthday while helping to give kids across our country a sporting chance!
